Subject: Compilers Lab: Assignment 3

From: santosh_biswas@iitg.ernet.in

Date: Wed, April 6, 2011 11:37 am

To: cse08b@iitg.ernet.in ([more](#))

Priority: Normal

Options: [View Full Header](#) | [View Printable Version](#) | [Download this as a file](#) | [View Message details](#) | [Spam](#) | [Not Spam](#)

The 3rd assignment:

Develop a (i) semantic analyzer (ii) machine independent code generator (3 address) and (iii) machine independent code optimizer

for a simple language say, having loops, if-then-else condition, mathematical expressions etc.

Weightage of this assignment is 25% (1st--25%, 2nd 50%):
deadline is 29th April and 30th April.

Regards
Santosh
